## Ekklesia Rising: A Watchman Call to America

A commission was released at the "Watchmen Rise and Build Summit" in Herrnhut, Germany, August, 2017. The commission: a visionary

[History: Life in Herrnhut](#)

call and mandate to spread the seeds of the Moravian DNA into the nations. Devotion to God, through worship, prayer and investing in relationships to build intentional supportive communities. This supportive 'Ekklesia' community is essential to carry the great commission to the world. As a result, [USA Watch](#) representatives from each of the time zones in mainland USA gathered Sept 28-30 in Philadelphia for the "Ekklesia Rising: A Watchman Call to America." People from varying backgrounds joined to celebrate Jesus and His Wisdom for these times. Opening the event, Mary Faus, representing 1st Nation people, led the international group in prayer. Hosting His Presence, attendees experienced a prophetic synergy. [Global Watch](#) delegates from Herrnhut, Germany shared the spiritual DNA of the Moravian movement. Deeper understanding of the Ekklesia, the Watchman role and how we employ Heaven strategies were topics shared, along with the Moravian's rich history and ongoing influence as boldly declared in the Moravian seal above. The need for training was affirmed. So, beginning November 11, there will be an opportunity to learn about the Watchmen prayer movement through a series of webinars, with [Remnant Rising](#) as a reference for the course. **HONORING MILITARY**—a small 'remnant' remaining for [Awaken the Dawn](#) traveled to the **NAVAL ACADEMY, ANAPOLIS, MD**—with hearts to pray for the military and delve into its history. Susan remarked, "We all felt a new respect for the naval history, and the 'midshipman' now in training. We were sobered by the reality of these young adults willing to place their lives on the line to defend a great country now seriously in need of their skills and abilities." A couple on the team prayed for an injured cadet hobbling down the street struggling to catch up to his fellow classmen. With obvious stress and pain on his face, he looked up with tear filled eyes to say thank you. We were all impacted by the encounter as the compassion of Christ touched us all. **GOD**

**HONORED AT SUPREME COURT DEDICATION:** The following day our team set out to pray for the Supreme Court. Highlighted in the historic display was a small document. *The power of these words spoken over the foundation stone of the Supreme Court building in 1932 can encourage all believers:*

"It (the supreme court building) will be a monument to Justice; justice which every human being yearns for and which is the right of all; justice upon whose ministrations life, liberty, and the assurance of happiness depend and in whose supremacy the security and welfare of our institutions rest; justice in whose service we are sworn; *justice that is the final attribute of God Himself.* This will be her temple. Here she shall abide. Year following year, and century following century, ambitious Youth shall look upon this stately building and rejoice that the paths of opportunity are here kept open equally to all. Upon it weak and weary Age shall gaze and be content, *for it shall know that the Lord has built this house and that His justice reigns therein.*" Sue shared, 'That bit of information was worth the whole trip!'

## The Cedars - "Our nation will thirst for Jesus as a Deer Pants for the Water." (Ps. 42)

A long history of loving Jesus is evident all

### around this beautiful venue

where people gathered Thursday evening, October

5th. One attendee saw a deer walking on the grounds and decreed, 'Our nation will thirst for Jesus as a deer pants for the water.'

Within seconds the deer nudged a stone and began drinking.

This confirmed to the witness God's answer was 'Yes and Amen'.

Grateful for the generous invitation to host an informal dinner at the Carriage House, members from many prayer streams graciously responded. Food was delicious and plentiful

as was prayer. Connecting as family with the visionaries for the Awaken the Dawn—united for our nation to honor life and relationships. Several prophetic acts occurred as Holy Spirit presence moved the group. One was to take a pinch of salt from one bowl, and add to the salt in the second bowl representing unity. Another was facilitated by a 1st Nation sister and those with 1st nation blood to welcome Holy Spirit into the land by opening the doors of our meeting room. One remarked ""As soon as I stepped into that room I felt like I already knew every one of those people even though I had never met any of them before. These were our people!" It was a memorable night as God graced us to connect, honor one another, and build family relationships across so many from powerful prayer streams.

## Oregon and Ohio Staking unites with David's Tent & D.C. Intercessors

A Global Watch staking ceremony joined Oregon and Ohio in a *staking intercession alliance*. Both Ohio and Oregon brought scripture stakes to bury in Herrnhut Germany. Oregon's cedar stakes are built to last, with multiple scriptures in 2pt font in a scroll inside with marine glue adhering the sides together. Ohio's stakes are small simple pine stakes with paper scriptures glued to the side. Prior to The Call in Cleveland, Ohio had completed staking their 88 counties. Oregon began staking their state counties October 14.

In Herrnhut's ceremony, led by Peter Carlson of Oregon, had people from more than a dozen countries arm and arm praying for unity along with Herrnhut's pastor (also Peter) to bless Germany and Europe with revival. God connections continued in D.C. with both states having strong relationships with David's Tent –D.C. and founder Jason Hershey. Jason Hershey of David's Tent has led a YWAM mission hosting round the clock worship on the mall for over two years. He had been holding the cedar stake Peter Carlson had given him for the right time. As the 50 states joined on the mall to worship at ATD, the time was right. Ohio's forerunner theme continued, as they had staked D.C. in May. On this day the Oregon and Ohio representatives were joined by Global Watch and David's Tent founders, along with many other states and D.C. intercessors. Declarations over staking included claiming this nation for revival and seeing a hunger for around the clock prayer. Ohioans, Julie DeLavergne and Dawn Holley and Oregonian Peter Carlson were joined by a ACPR rep Wayne Garland for this picture. He had also hosted the Ohio staking earlier this year. Father Heart Ministry's Connie Tucker (not pictured) led the Ohio staking. During ATD she was sharing pine stakes from Ohio with all 50 states, inviting them to stake and claim their state for His Glory.

## 4th Watch Walk Connections at Awaken the Dawn

A small Global Watch team shared worship and fellowship at each of the tents during the dark hours before sunrise each of the ATD worship days. Participants danced, sang, and blessed the worship leaders in the 50 state tents. Making new friends along the way and reconnecting with many who were in Herrnhut at the August, "Watchmen Rise and Build Summit," we had a last minute reunion dinner and powerful time of to honor the generations and continue building relationships

## Awaken the Dawn and Monday's *The Call*: Moments we remember

### Silence and the Carousel

All were mute, many with a red sticker stating LIFE covering their lips, carousel music pierced the silence. We were honoring and grieving the millions, the lives taken in abortions. I saw the carousel nearly empty, and imagined the prayers of these mothers and daughters and valiant faithful men sharing a vision: to see the world change—to reflect God's redemptive love. A place where life, the life He gave us is honored.

### We cry "Come Home" to our lost ones, with Karen Wheaton

**Lights in the Night**—When the invitation to receive Christ was offered the last evening of ATD , it was followed with a request. Turn on your phone flashlight if you just said 'Yes' to Jesus. Hundreds of lights waved in the sea of people like fireflies in the night sky. Celebration cries rang in the air. May this fire fly throughout the land to light the way for a monumental move of God's power in each of His beloved children until all sing His praises.
