OPERATION  
WORLD

the definitive prayer guide to every nation

PRAYERCAST

This former Portuguese colony, along the southeast coast of Africa, is a special country in God's sight. The sixteen years of civil war along with repeated floods, droughts and cyclones have contributed to widespread poverty. A high incidence of HIV/AIDS has left many ill and orphaned. Yet, despite all these struggles, Mozambique is moving forward politically and economically. The amazing success is due, in large part, to the stable government that has been in place since the civil war ended. Interestingly, many of these government leaders were educated in the missionary schools of Mozambique.

[GIVE THANKS](#)

**The country has enjoyed peace since 1992 after 30 years of war.**

**Christian faith spread rapidly after the persecution under a Marxist-orientated regime.**

Mozambique's brokenness continues. After being shattered by colonialism and civil war, natural disasters and debt burdens, Mozambique remains one of the world's poorest nations. Personal brokenness also persists as many have been traumatized by the violence and deprivation.

Additionally, the Christian church in Mozambique is growing. Suffering has created a spiritual hunger resulting in churches being planted, but there is a great need for better trained leaders for these churches. Christian agencies have been encouraged by the government to develop programs to help support community development projects. These projects not only give aid that is needed, but it allows more people to be reached with the gospel.

[PRAY FOR:](#)

- Pray for lasting peace to overcome all threats to the nation's fragile stability.
- Pray for true freedom for those in bondage to poverty, disease, witchcraft, and animism.
- Pray for affective, practical programs to assist those who live in the most severe poverty.
- AIDS, Malaria, Diarrhoea and tuberculosis make the situation worse for many.
- Pray for the Church and its leaders to grow in spiritual maturity and Biblical understanding.
- Pray for more leaders who are godly and know the Bible.
- Pray for projects that build the people's Biblical knowledge as most of the population learns orally.

**THE UNREACHED**

Although there may be a few believers or even a few churches, they are a people group among which there is no indigenous community of believing Christians with adequate numbers and resources to evangelize their own people group.

**JOSHUA PROJECT**

A total of **9** People Groups are Unreached – **1,584,000** people who have limited or NO access to the Gospel.

Mozambique has a greater concentration of unreached peoples than anywhere else in Southern Africa.

- Pray for discipleship of new believers and churches amongst the *Makhuwa*
- The *Yawo* along the shores of Lake Malawi are 96% Muslim.
- Swahili traders Islamized the area centuries ago. Pray for missionaries who face disease, a hot climate difficult travel and active spiritual powers, to reach these people
- Pray for the Bible translators who are working on at least 17 language projects.
