

TURKS & CAICOS ISLANDS

9 - 12 July 2017

**OPERATION
WORLD**

the definitive prayer guide to every nation

PRAYERCAST

The first recorded European sighting of the islands now known as the Turks and Caicos occurred in 1512. In the subsequent centuries, the islands were claimed by several European powers with the British Empire eventually gaining control. For many years the islands were governed indirectly through Bermuda, the Bahamas, and Jamaica. When the Bahamas gained independence in 1973, the islands received their own governor, and have remained a separate autonomous British Overseas Territory since. In August 2009, the United Kingdom suspended the Turks and Caicos Islands' self-government following allegations of ministerial corruption. Home rule was restored in the islands after the November 2012 elections.

72.8% of the population of Turks and Caicos are Christian. But because the tourist industry brings so much moral decay to the islands, the population are not living the life of true believers.

The government is pursuing a two-pronged strategy to increase tourism. Upscale resorts are aimed at the wealthy, while a large new cruise ship port and recreation center has been built for the masses visiting Grand Turk. The French vacation village company of Club Mediterannee (Club Med) has an all-inclusive adult resort called 'Turquoise' on one of the main islands.

PRAY FOR:

- Caribbean communities lack spiritual hunger and need revival. Pray for a new work of the Holy Spirit
- Believers need opportunities for serious discipleship. Pray for strong theological training in this country with many churches but few disciples.
- Pray for greater utilization of the freedom to share the Gospel within the schools.
- Tropical storms and other natural disasters hit hard which brings human suffering and loss of property. Pray for those who are in great physical need.
