

UGANDA

OPERATION
WORLD

the definitive prayer guide to every nation

26 – 29 March 2017

The name **Idi Amin** may sound familiar.

It is infamously linked to the nation of Uganda, which underwent a brutal 8-year period of violence under his presidency in the 1970's. It is estimated that roughly 300,000 may have died under his reign of terror.

Life in Uganda has not been easy even since then.

Two military coups in the mid-1980's have been followed by the 23-year rule of President Museveni, who has done much to rebuild the Ugandan economy. Peace, however, has yet to firmly take hold in the nation.

WATCH & PRAY

GIVE THANKS

Uganda has widespread prayer movements, a strong evangelical presence in the Church of Uganda, and renewal movements in the Catholic Church. Some consider it one of the most truly Christian nations in the world.

For the past 23 years, Uganda has struggled against the brutal Lord's Resistance Army, a rebel group based in Sudan. An estimated 30,000 children have been abducted to serve as child soldiers or sex slaves. Up to 1.8 million people in northern Uganda have been displaced due to violence and the fear of child abduction.

Despite all of this, the church in Uganda is large and the response to the gospel has been substantial. Yet the church also battles against widespread nominal-ism, false teaching and corruption.

We need to pray for the restoration of a country left riddled by years of war and terror, and for the revival of a church so badly needed to shine the pure light of the gospel.

In closing, think about this. How would we want people to pray for us if we were among the millions in Uganda, destitute both physically and spiritually? Let's pray like that today. mission organizations.

PRAY FOR:

- Peace within the troubled region and nation. Pray for God's people to be at the heart of the nation's restoration
- The government to exercise its authority with even-handed honesty and a true concern for its own people.
- For Christians who struggle with greedy attitudes and non-biblical lifestyles
- Pastors and leaders need affordable and practical Biblical training.
- Ministry to young people and children to be a priority. Pray for former child soldiers as they enter normal family life and community life.
- The street children of Kampala and the 2 million AIDS orphans.
- God to call many Ugandans to Missions and the Church to train them and send them out.

OPERATION WORLD

JOSHUA PROJECT

THE UNREACHED

Although there may be a few believers or even a few churches, they are a people group among which there is no indigenous community of believing Christians with adequate numbers and resources to evangelize their own people group.

A total of 5 People Groups are Unreached – 955,000 people who have limited or NO access to the Gospel.

PRAY FOR THE MUSLIM WORLD

Muslim numbers grow quickly. Arab states pour large sums of money into education and Islamic organizations.

The Kakwa, Aringa and Madi peoples in the Northwest and the Soga in the southeast have significant numbers of Muslims. Pray for sensitive, specific outreach to them.

ANSWERS TO PRAYER FOR UGANDA

Great leaders are prime targets for Prayer. Sometimes they are enemies of Christianity but most of the time they just need the work of the Holy Spirit in their lives. Like Saul of Tarsus, it is possible for anyone to become a great spokesperson for Christ. However, without prayer, it will remain only a possibility.

AN UNCONVENTIONAL WAR

In 2005, Sentinel Group film crews visited Northern Uganda three times to document the pivotal role of prayer in ending a vicious, 18-year civil war. The resulting production, entitled AN UNCONVENTIONAL WAR, sheds new light on one of the most bizarre, devastating, and ultimately uplifting stories in recent memory.
