When we started praying for Ukraine last night, I had this word. It's a bit political and seems to be targeted at the harvest and not just the Ukraine. I'll leave it with you to be tested.

I saw a pregnant lady ready to give birth but in a lot of pain. She is pregnant with the harvest. I wondered if it was birthing pains... but then I saw 3 doctors with black, grey and red jackets. They were saying, "Abort! Abort! Abort the baby!" There was confusing and darkness and ugliness in the room. I then saw that the 3 doctors were Putin (Russia), Iranian president, and Erdoğan (Turkey). They wanted the baby aborted. They were telling the mother and others that there was something wrong with the baby and the best for the mother was if the baby was aborted.

I then remembered Norine Brunson and the prophesies of her being pregnant with the harvest, and the enemy trying to kill it. And Andrew's dream of the dark alliance between these 3 countries.

As mentioned last night, Russia is threatening to use nuclear weapons against Ukraine. Yesterday's news reports Putin is giving 20 billion dollars to Turkey to complete Turkey's Akkuyu nuclear power plant (near Mersin). <https://expatguideturkey.com/russia-sends-money-to-turkey-for-20-billion-dollars-akkuyu-project/>

I prayed against the spirit of abortion, spirit of death, spirit of Herod, spirit of annihilation, spirit of destruction. (I feel there still needs to be a lot more prayer over this attempt to abort and the dark alliance.)

I prayed for the spirit of life and for the harvest. I then saw light come into the delivery room. The 3 doctors had left and suddenly there was calm and cleanliness and no more screaming. Dr Jesus, dressed in shining white, had entered the room to deliver the baby. He is birthing the harvest.

Margaret Gretch - August 1, 2022

67 days ago, on the 26th of May I had a vision, and I saw written:

AUGUST 1st

I don't write the date that way I would write 1st August.

So I knew it had to do with an American thing. In anticipation

Psalm 67:1-7

[1] God be merciful to us and bless us, And cause His face to shine upon us, Selah [2] That Your way may be known on earth, Your salvation among all nations. [3] Let the peoples praise You, O God; Let all the peoples praise You. [4] Oh, let the nations be glad and sing for joy! For You shall judge the people righteously, And govern the nations on earth. Selah [5] Let the peoples praise You, O God; Let all the peoples praise You. [6] Then the earth shall yield her increase; God, our own God, shall bless us. [7] God shall bless us, And all the ends of the earth shall fear Him.

n 2018 or 2019 at GW Herrnhut I went for a walk and it seemed that the bell was very significant. Sue shared her vision of Big Ben and I asked her if she realised it is actually the bell that is called Big Ben (not the clock) which again felt significant to me. That evening Sue Williams brought a prophetic

song about the Awakening Bell!!! It just seemed to me that God was saying something about the bell. This year Sue & Fred had asked the Lord what to bring and it was a bell which they gave out as gifts right at the beginning of the first meeting and I was straight away reminded how the Lord had led me last time to the importance of the bell. Also we heard how the bell on Jesus House had just been restored . I said to Sue Williams I hoped she would have sung her song again. I have been asking the Lord what is He saying? A bell's main purpose or relevance is 'SOUND' not looks. We often ask 'what do you see? 'prophetically and what are the signs we see but should we be asking 'what is the sound of the times?' What sound do we need to hear? What time is it but also what is the sound? A warning/ watchmen voices/ shofar / God's voice etc? What is the sound of the times and the coming Kingdom? What should we be listening for? Do we have ears to hear the sound of the Watch and the times we are in? Habakkuk 2:1

"I will watch to see what He will say to me. "

Unusual because we say I will 'listen' to hear what He says and not watch to hear. We are to hear the Word of the Lord and release it to the nations but is there a sound of this season that we need also to release?

I got a mental picture as Sue was reading the passage out of Zechariah 3. When she read the part where Joshua's turbine was replaced, I immediately saw a large soldier rise to his feet and turn to face me. He was dressed in metal armor and his large sword was unsheathed as if ready to advance into battle. At the beginning, it was as if his commissioning or knighting ceremony was completed and he rose in this new authority to advance.

That's it!! Thanks!

DP

As we were winding down Saturday night because of the late hour, the Lord really impressed on my heart a reminder of a revelation that my daughter received a few months ago. Specifically from Joshua 5, when Joshua encounters the Captain of the hosts of the Lord. When asked if he was with the enemy or with Israel, the answer was "No". The only message recorded in Scripture is "take off your shoes, this is holy ground". The spirit of division has been released over the earth in a big way and everything has become a question of which side are you on? The Lord is wanting us to pull away from taking sides and recognize He is here and this ground is holy. We need to move away from the emotional aspect and the human sides of it all, humble ourselves in His presence and then like Joshua, very specific instructions will come to us so that we are on His side.

The other important part of the revelation is the priests carrying the ark and standing in the river while everyone crosses. We are called to step into the waters and carry the presence of God while all who are called into the kingdom cross over, no matter how long it takes.

Those towers that were been erected during covid are not for our benefit but they'll soon be fully operational in order to release another experiment that's never been attempted. I saw the towers and their accompanying light fixtures begin to operate, bringing ancient occult lay lines to light. The lines were initially configured as upside down triangles but then they each grew two more horns, making pentagonal stars. But as I watched, each star was turned upside down, revealing the true nature of these death stars. The upside down pentagrams covered the face of the earth.

Portals that had never been opened were now visible, allowing access to dark entities never seen before. At the same time Adonai activated His Zechariah 1:17-21 craftsmen to open portals of light that had also never been seen before.

This battle is already being waged on a small scale but it will soon increase worldwide. The Ezekiel 1 and 10 eyes will open and grow on our heads so that we can have vision and focus on all sides. With nothing to fear except Adonai and nothing to lose, except our lives, we will enter into this new battlefield that's both real and digital at the same time.

Tonight I felt like we are Esther entering the THRONEROOM and the Father has the Scepter who is Jesus himself outstretched to us, so we can freely enter and ask for freedom on our behalf and the Father himself will execute the sentence against our enemies and hang them, like HE did with Haman .

We are in the overlapping of times - so old and new testament comes together, this is no longer bound to chronos but flowing in kairos .

Two years ago, I was led in the spirit into a room filled with carelessly lie around royal dresses crowns swords and other equipment...

As I asked God what that means he eplaint, that these are the royal clothes and equipment of those who have put aside their calling or parts of it and each of these items and clothes is associated with a commission / mandate.

Last night and for this week I feel that God wants to equip us.

Some of us want to give new commissions and mandates. For others he may want to restore things he has already given, so that they can walk in them with a new understanding, anointing and authority.

Taste & See that the Lord is good! I really felt that in Abba's loving kindness, many of us were going through a palate cleanse. The varied acidity and rancor of disappointment, bitterness and discouragement that altered our taste of HIS goodness was being renewed, cleansed with the Bread of heaven.

White Bread is a palate cleanser.

Jesus-Bridegroom, Warrior, King & Judge

Many may struggle with Jesus returning as all these things, they seem contradictory. However, He is all these and He is asking The Church, am I worth the trouble that is coming when I come as Bridegroom, Warrior, King & Judge? Do you love me enough to embrace the trouble?

It is the revelation of the Bridegroom that prepares the heart of The Church to keep it from offense when He comes as Warrior, King & Judge. The Church must say to Him- come Jesus and be who You are- ALL that You are. We must accept the unity of Jesus. And to help our minds grasp that unity, think of it this way. Jesus has the heart of a passionate Bridegroom-that is who He is! And when Jesus arrives "at work" doing what He does, He still does that work with a Bridegroom's heart. His heart is the same as He rules the nations as The King of kings. And as King, Jesus' primary responsibility is to judge. And the main action of a judge is to make decisions. Therefore, Jesus, who is righteousness, in His kingly role makes the decisions as judge and in his role as warrior He enforces and enacts the expressions of righteousness in the earth. And Jesus is not going to act or express something different than that which is in the heart of the Bridegroom/Husband.

This reminds me of the words of C.S. Lewis-"You asked for a loving God. You have one. Not a servile benevolent benefactor that drowsily wishes you to be happy in your own way. Not the cold philanthropy of a conscientious magistrate. Not the care of a host who feels responsible for the comfort of his guests; but the consuming fire Himself, the love that made the world! Persistent as the artist's love for his work. Provident and venerable as a father's love for his child. Jealous, inexorable and exacting as love between the sexes. Of all powers love forgives the most but condones the least. Love is pleased with a little, but demands all."

He is after every corner of our being and will not relent. The patience that God has for us is unfathomable. His patience brings out of us our voluntary love so that we can be in agreement with Him and receive ALL that He is- Bridegroom, Warrior, King & Judge. It is this agreement that keeps The Church from offense. So to the degree that we receive this revelation of Jesus as Warrior, King & Judge is the degree to which our revelation of Him as the Bridegroom will overtake our hearts. And then we can say with every fiber of our being, Maranatha!!

JP. 2 August 2022

I saw a vision of us all being in the throne room. Many many tall angels were there. They had tall wings. The angels formed an aisle toward the throne. As we walked thru the angel-aisle they moved their wings and it sounded like rushing water. It revived us deeply ...

Each Angel gave each person a bowl filled with oil. As we took the bowl with oil I heard the Lord speak "this is for the healing of the nations".

I asked "how do we use it?"

The Lord said "I commission and send you to places of influence... either groups of people, nations, businesses, organizations etc"

We are to pour out this oil...

LW 2 August 2022

Lily Winchester, Monika Eckert, Joanna Planneth words all seem to be on this theme of the commissioning and new mantles and turbans that Sue has been speaking of that God wants to release this week. Just wanted to highlight this theme that I am seeing in this thread.

EM 3 August 2022

I'd like to describe the fragrance I have been experiencing every time we gather in the Jesus Haus meeting room. What I smell is a fragrant oil that is the same as that on the stone where the body of Jesus was prepared in the Church of the Holy Sepulchre in Jerusalem. This same smell permeates

our meeting room in Jesus Haus! What a beautiful reminder of the presence of Jesus always with us
Glory to God!

SM 3 August 2022

Through this lecture I am raising up new types of Daniel and Nehemiah for this generation.

1. Daniels who under the spirit of God will intercede for the fulfillment of God's plans for this season as in the Bible after 70 years of captivity. Intercessors who advocate God's plans and purposes in this season to reverse the advances of the enemy
2. Daniels who will stand in territories and nations to stand before kings and influence governments with the thoughts and plans of God.

NEHEMIAH

1. Passionate about Jerusalem its walls its gates: the return of the Jews to the messiah, pray and create the atmosphere for a massive salvation of the Jews and the security and peace of Israel
2. Hearts on fire to equip God's Church for greater impact, people who watch over the Church and who through intercession make the wall so that the Church is no longer vulnerable.

B. I WILL GIVE A HEALING SPIRIT TO LANDS, HEARTS, BODIES, FAMILIES, NATIONS AND GENERATIONS. Promise the Lord.

C. THERE WILL BE A MOMENT OF IMPACT BY THE APOSTOLIC MANTLE AND THE ANOINTING OF THE HOLY SPIRIT. THE ACTS OF THE APOSTLES BE LIVED AGAIN IN OUR DIFFERENT COUNTRIES.

FROM SAMUEL BÉNIN WEST AFRICA HERRNHUT

AN 4 August 2022

I had the following dream before I went to Herrnhut: I went into a room. There was a man there. I gave him a pregnancy test and now he wants to let me know the result. He said, "The result is blue. (Revelation, royal rule) and you're pregnant. So pregnant." End of the dream
When I saw Ulli, the translator, so heavily pregnant, I immediately thought of the dream. Her pregnancy is a prophetic sign of what is about to be born. It's more than overdue. On the first day, she wore a sweater with butterflies. I thought yes, it's about time the butterfly finally came out of the cocoon. Amen

JG 3 August 2022

Shalom.... The other morning on an early walk here in Herrnhut, I was asking the Lord for further clarity on the exciting, world-impacting things He is doing our time here. Soon, I saw this very interesting answer, on the side of a paper grocery bag, which spoke wonderfully and simply to me. Herrnhut, as we have heard several times, is about the "hidden" seed sprouting again, a sign of renewal, of resurrection life. For us today, I think we are privileged to be participating in a "coming forth" of the sprout, from that modern expression of the seed. Pictured here, we see the green, life-bearing seed coming forth. But this sprout is also rooted in the world, and is in fact awakening life (green) in the whole world as it comes forth.... a picture of the modern-day life being released.. again... from Herrnhut. As you see, all is this is supported and upheld by the loving hands of our Heavenly Father. Amen

MS 5 August 2022

About 9 years ago, I had a fall out with friend who was an assistant pastor's wife. Emotionally, it was one of the most painful experiences that I had to deal with. Over a couple years, I allowed this pain fester and take root. At the time, my son was a toddler and he had digestive issues and I made all the excuses to not go to church services. I'd send my husband and oldest son to regular services and I stayed home with my toddler and used him as an excuse to stay home. I became bitter and

distant from the church and my whole demeanor started to change. I didn't even recognize myself anymore. I felt resentful, betrayed, and hurt. All of this made me feel defeated and worn out emotionally. One day, I just had enough and cried out to the Lord. I began to speak my heavenly language (tongues) and then began to repent. I repented for my actions and told the Lord, "If I've made this about myself, then I ask for your forgiveness." Then the word RECONCILIATION was spoken to my heart. I sobbed and cried before the Lord. It was like I cried the the poison out of my eyes and heart. The Holy Spirit lead to pray a blessing over V, and then I began to Praise him and said, "You are God and I ask that you make it happen, that you would reconcile us, you can do it because you are God." That night I had a dream. I dreamt that that my friend V approached me and said to me, Maria I love you." In the dream she hugged me and In return, I hugged her and I asked her for forgiveness and then I woke up. That early morning, my husband was getting ready for work and I had shared that dream with him. I went back to bed and I forgot about the dream. A couple weeks later, a friend invited me to a woman's conference in Hollywood called, She Rises. I made a last minute decision to go. On the first night, as I was getting ready to enter the doors to the theater. V grabbed my arm to get my attention just like she did in my dream and said, "Maria I love you", and hugged me. It was then the Holy Spirit reminded me of the dream. I began to tremble and cry in Awe of God's goodness. We hugged and reconciled. That night, our guest speaker's message was about unleashing each other. This evening at Jesus Haus, the Holy Spirit prompted me to share and to give a word. He wants us to unleash each other and to pray for those who have hurt us and persecute us. He wants us to examine our hearts and surrender our offense to the Lord. He wants us to mend our hearts so that we can be free and unstuck, so that we can move forward. When we come to Him, yield to the Holy Spirit and ask for reconciliation, so that He can set the time forward and redeem what has been lost. I wanted to encourage the body of Christ to ask the Holy Spirit to make Devine appointments that can only come from Him for reconciliation. There's breakthrough and blessings that come with RECONCILIATION. He did that for me and so much more. I'm am amazed by God's goodness. Only my redeemer can do this.
