

# Agreement: The Double-Axis Circuit of Authority in Intercession

## A. INTRO: MAT. 16 (Prayer in Revelation) → MAT. 18 (Prayer in Community)

- Mat. 16: Christ, Keys, Binding, Loosing, Attacks on Hades
- Mat. 18: How to live in community effectively so that the full nature of Christ is known and prayers are unhindered.

## B. DEAN'S DREAM: "EXXON / EKKLESIA"

- The Power of Agreement

## C. 1st AXIS: VERTICAL — FAITH: "Believing on the scale God permits and commands"

- **John 14:34** "ask what ye will" (KJV, Gr. *'thelo'*)

## D. 2nd AXIS: HORIZONTAL — AGREEMENT: "On earth in our practice of life together"

- What do intercessors want? Answers!
- Love, the ultimate disruptor.
- "Divide & Conquer" works for a reason.
- **Eph. 4:16**: "From whom the whole body, joined and held (knit) together by every joint with which it is equipped (or: what every joint supplies)...so that it builds itself up in love."
  1. 'BODY'
  2. 'KNIT TOGETHER'
  3. 'EQUIPPED'

## E. CONCLUSION:

- To agree on earth in true love, thru the hard work of holding together and speaking in faith your agreement with heaven makes you a war chariot! No broken circuits.
- Protracted lack may represent warfare or wilderness, but a pattern of failure may well indicate a lack of right relationships.

## F. QUESTIONS

1. Why would God insist on Agreement as part of the protocol of a healthy ekklesia?
2. How does equipping and connection relate to one another according to Eph. 4:16?
3. What are practical ways to hold onto one another?
